

Terms of Purchase

Refunds: Any entry which is determined to be outdated (invalid), or does not fit the above definition of a pension fund will result in a pro-rated refund for 4x your money for that entry, or those entries. For example if 10% of the database is made up of non-pension funds the client is to receive a 40% refund on their purchase. In order to receive this refund you must let our team know exactly which entries are in error so we can continue to improve this resource, no refunds are provided without feedback on what was wrong with the database. This is our commitment to delivering a highly valuable product to you.

Ongoing Update: New clients are giving the first 6 month update for free, unless you are a Platinum clients which means you get 4 free updates to this resource after 6, 12, 18, and 24 months time. Ongoing updates cost \$199/6 months.

Use: Each version and single Excel based Pension Fund Directory has been invisibly marked, protected, and is copyrighted material. Any duplication, extraction, or use in commercial ventures is strictly prohibited. That said, this database is provided within Excel format and the time length term of use is unlimited, this database does not expire and access to these details within Excel are never blocked after any length of time.

Never start marketing any investment or other type of product before seeking advice of legal counsel or a compliance expert.
